“ *Mar Mar! 2 whole years without you. I miss the calm presence that you brought to our lives, the snuggly nights and lazy Sunday mornings. I want you to know how much I miss you and that we all love you. This year is even more difficult, but also bittersweet because we know you've been reunited with your sister/bestie/biggest pain in your butt, Bailey! We love you, Marley! Keep watching over us and keep your sister in line up there! <3*
