*Handsome Marshmallow was found by my niece, Allison, about 6 years ago. He was outside and dirty. She rescued him and took him to the shelter in case someone was looking for him. Nobody ever*

*claimed this precious boy. Around the same time, I had another cat pass away. Allison thought I needed a new fur friend. I happily took Marshmallow and he was so lovable from the second we met! He loved to be around everyone. He is most known for climbing up on you when you lay down and "kneads bread" on your chest. He slept by my side every night. He would stare in my eyes as if to say, "good night, I love you". You will never be forgotten. p.s. Hershey is wondering where you are :(*
