“ *Martini Morse, our Tini, desperately missed by Gigi, Pap, Rachel & Jeff, and his adopted sister and friend, Apple, who has been his companion for the past ten years of his twelve year life. There never was a sweeter pup....he never met a stranger. He did his best to teach Apple some manners but she never really took him seriously! Nothing will ever fill the void we all feel in our hearts at the sudden lost of our most precious Tini! See you in heaven, little buddy!*
