Momma's Meow

Two years ago today you had to leave me, seems like yesterday.

My only salvation is that you are no longer experiencing physical

pain and illness.

I always told you that you were my heart and you remain to this day.

I have so many fond memories of you

I love you with all my heart and miss you beyond words

I know some day we will see each other again

Until then I will send you love in Heaven

Momma
