*To Meowkin: the coolest, most loving, but could kill you at a moments notice cat I knew. I Knew from the moment I saw this HUGE cat in a small cage that he needed to come home with me.*

*From that moment on, he spent time becoming a best friend to Dave, official mascot to the legendary Masons, friend (and sometimes foe) to Razy, and enjoying life. Unfortunately, his time on earth was not meant to be long. I'm forever grateful for the brief time we were able to have him in our family. I know he is no longer in pain. But he will be forever missed.*
