

Mike Ekaitis

September 21, 2007 - September 24, 2022

Mike and his brother Mitch were adopted from Fallen Timber Animal Shelter. He was a beautiful long haired boy who loved to jump high. No gate could keep him out.

Mike was friendly and loved to be outside visiting his neighbor Sophia. They would sit nose to nose on the deck and coexist. He would stay out late but always run as fast as he could through the yard when called. He was affectionately known as big Mike with the fluffy tail. Mike was brave and would walk around any unfriendly dog with a swish of his tail. He was loving to all and gave his special head nudge to those he owned.

Mike died peacefully at home on the bed that gave him comfort. RIP Mike and thanks for all the pleasant memories.
