“ Miles Gucci Kepich was a wonderful pet, brother, family member. His passing due to a sudden serious illness has left all whose lives he touched with extreme sadness. He was loved by all. His brother Albie misses him the most. We are grateful to have the 5 years we had with Miles, the memories we made and the love we shared. ❤️

I loved him so much- I still can't believe he is gone. RIP little buddy— at least he has Archie, Brody and Millie to play with in heaven ❤️
