*Mitzie, it has only been a day since you left me but I miss you so much already. You were my loyal companion and my best friend. You taught me about unconditional love. The day you came into my life was the best day ever. I will remember our adventures, our walks, your personality and your beauty. My dream is that you and dad are young and healthy and happy and walking together through heaven. I will never forget you my beautiful girl and will keep you alive in my heart forever.*

*Mitzie you were a sweet gentle dog so loved by your mom and family. Your adoptive mom gave you a wonderful home and life and in return you gave her unconditional love. You were dearly loved and now you can Rest In Peace beside Pap in God's garden. your Mamas heart is hurting but you will forever be some of her best memories. You can rest now.*
