I am so so sorry for your loss of Molson. She has crossed the rainbow bridge and waits for you on the other side. She is now at peace and no longer has pain and what a beautiful thing to die in the arms of someone she loved.

Molson had an undeniable spirit and character that brightened each and every day of our lives. Her playfulness, her welcoming and affectionate licks and unconditional love will never be forgotten. She

was a one-of-a-kind pup and will be sorely missed by all who she met. She will remain forever in our hearts.
