

Mouse Simco

March 31, 2012 - September 18, 2025

Mouse walked onto our sidewalk and into our hearts in the summer of 2012. How very lucky we were that she chose us to live with!

Mouse was extremely intelligent, loving and obedient. Simply put, she was an exceptional cat.

Mouse was diagnosed with an incurable disease 18 months ago and, while she handled treatments and medications like a true champ, her time had come. We had to let her go.

Mouse will be forever remembered and greatly missed by Wayne and Kate and all of her furry family members: Gracie, Thumbs, Bat Girl and Peetie Lou Bernadette, Scruffy, Schmitzik and Jeebus the Imp.

Many thanks to all the folks at Pittsburgh Premier Veterinary Care for their outstanding care of our very special girl.

*I was heartbroken to read that Mouse's time had come. I know only too well about the cat shaped hole she left in your hearts.
You all put up a good fight!
Mouse, look for your cousin Theo. He'll show you the ropes.
Goodnight kitty.*

Mouse, you'll be very missed. You made this world a better place with you in it. You will always be remembered as the star that you are Debbie.
