Sweet Murphy,

Words don't come close to expressing the light and the love you brought to everyone around you. Your gentle ways soothed anyone's weariness and turned it instantly into a smile. To spend a couple minutes with you was enough to remind us what life is all about: Unconditional love. Something you knew to do all too well. Your people will never forget you and all the blessings you brought with you. Until we meet again sweet angel.

Murph,

Your fur over everything will be miss. The times I was able to dog sit you will never be forgotten. I was able to scale your house to get back to you. I know how much you meant to your mum, and you will be missed by many. I always looked forward to your sniffs and keep it moving mentally. You were the best. I will always keep you in my memories. RIP Murphy lee.
