“ *Niko was the most amazing girl. She loved her dad! So loyal, loving to niece and family. A bundle of joy. She would always talk to me, her gram when I would be on the phone with her dad. Frisbee her favorite toy. How she loved to chase and play. Thank you for being awesome! Sleeping on your dad's head, loving and sharing life. Run girl! Your body failed but you loved us to the end. We will see you again! Be Palmer's angel. Know your dad will always miss you, as we do.*
