“ I'm so sorry for all of you!! Odie definitely had a personality of his own! The first day I was alone with Odie, I let him out and he took off! I called and called for him and he finally came back! I was so relieved and realized he was only trying to find you and Hayden💙💚💙

“ Odie I never met you.
I was not there when you first came home.
Was never greeted by you at the door.
Did not have the pleasure of cuddling with you.
Would loved to have been with you tracking your first dear.
Odie we never met, but you were known and loved, from Tulsa Ok,
thru those you have touched.
