“ *Oddie, I am going to miss you barking when I knock on the door. I am going to miss you standing by waiting for me to give you some of my Giant Eagle chicken. I am going to miss you asking to go outside only to want to come right back in after a few minutes. You loved us and we love you. Now you can chill with Gage and Jenny.*

“*ODIE was a great dog. He was given to us about 11 years ago and he has been a big part of our family ever since. He was a loner he didn't like to be bothered he was a dog that liked to chill. He liked to take walks. He liked to take walks by himself. This last year had become difficult for him to walk distances. He was our "FAT BOY" and we LOVED him so much, so did our other dog FAWN and our car QUEEN.* 🙏🙏🙏🐕👍
