“ Not sure if you ever liked me for me or because I always had 1 of 4 female dog scent, lol! Regardless I always enjoyed your greetings! You'll be missed!

Rest In Peace to my best friend. I remember begging my parents nonstop for a dog and my mom finally caved in. She never thought she would ever love a dog but Ozzy was special. Thank you Ozzy for the best 11 years. I love you so much and you have no idea how much we miss you.

He made me happy everyday. I told him I loved him everyday. He followed me around everyday. He acted like I was gone for days when I got home and I was only gone an hour. He loved me as much as I loved him everyday. I love you. Mommy Stacey

Oscar was an amazing little dog! He was more human than canine! I loved how he would bark and fiercely protect the people he loved!
