“ Oz, I miss you so much! ❤️

“ Oh Oz! I wish you were here so much. I miss talking to you and I miss rubbing your nose. I miss the fact that you are so smart and I truly felt like you understood everything I said. Your eyes showed it all. I love your eyes, when you would do your side look especially. The house seems so empty without you. Bella is with you now. I hope you two are together running wild. Love and miss you both so much.

“ We miss you so much Bub! I want to share the pictures of the wonderful things we have with your ashes, paw print, the poem, etc ... Ericka was so caring and helpful during such a difficult time for us. Unfortunately, Bella will be with you soon. She unexpectedly got real sick after you passed and we found out she has bone cancer. Such a shock and I'm so sad this is happening when we just lost you. It makes me feel better and like I'm talking to you when I write here. I always talked to you and I miss that, I miss you. It's not the same without you here. Love you always Bub

“ *Ozzy is missed so much. It's not the same without him. I've never had a big dog, then he came into my life and I instantly fell in love with him. I'll be forever grateful to have had him in my life and everyday is hard not seeing him in his spot where he always laid. Out of habit, I constantly look over at his spot and it will never be the same without him. I'll always miss him. He looked through my soul when I talked to him. He is so smart. He definitely made me feel not so lonely when no one was around. He's running around in heaven which is something he loved to do and couldn't for a while. Not a day goes by that I don't think about him and miss him. Bub will always hold a special place in my heart. ❤️*

“ *I remember when Ozzy walked off and was picked up and put in doggy jail. He is the best!*
