“ *My favorite co-worker and office buddy! I'll miss you forever and I hope you meet me at the rainbow bridge when it's my time. You were the absolute BEST! Rest easy girl, I hope you're chasing all of the field mice, El patchy. 💔 I'll forever miss your snuggles as many others will. Oh baby, my heart. You came into my life right after gram passed and I'll forever be grateful how you and Trooper got me through that time. Fly high baby girl, we'll meet again!! 💔💔💔*
