Trina and GW (Seattle, WA) posted a condolence

Sunday, June 3, 2018

Peanut was loved by so many humans and fur babies near and far. He is a kindred spirit to my lhasa apso George W who also has struggled with so many medical conditions and is a fighter just like Peanut. Peanut brought Noreen into my life and I consider her a friend. I miss Peanie Weanie and am so grateful for his spirit and amazing journey. It is not cliché, Peanut is gone but will never be forgotten. Xo
