Dear Pea

I hope you felt loved for the 15 years I was your mom. You had such a personality and I don't think I will ever find a cat even half of what you were. The house is quiet. I no longer hear your meows throughout the day. You were my chattiest girl, always talking. My sweet baby, sassy. loving, always wanting attention-girl. Always around. Never shy. I wish I had so much more time with you and I truly thought I did. Everyone who ever met you said they couldn't believe you were 15. You were so youthful and never sick a day in your life. Until the very end and the tumor was fast and we didn't know what it was. I am so sorry I couldn't help you sooner. I held you in my arms and you went to sleep. I am so sorry. I hope you feel better. I wish so badly you were still here. Please say hi to Stella for me. I miss you so much and I wish you were here to meow insistently at me. It's too quiet. I love you.

Losing a pet is the very worst. I am deeply sorry for anyone and everyone who lost their best friend and someone who is part of their family.

Thank you for showing me unconditional love, and letting me love you for 15 years.

Love your mom.
