“ *My sweet Angel. I miss you so bad Baby! Our house is huge empty void without you. The pain of missing you is just unbearable. Devastating. There will never be another you. We miss you so bad my little Angel Face!*

Thank you Baby for all of your sweetness, craziness, quirkiness, love, and strength that you have given us all these years. You were the most wonderful Baby Doll in the entire world. Your grace and beauty was overwhelming. You quietly ruled our world. We are so lost without you!

I will love you forever Baby!

Will never ever stop missing you!

It's going to take all I have to try to heal the huge part of my heart and soul that was taken when we lost you. But you will always have that part of me. Forever!

I Love you so much my Peaser Deazer!!!!

Love her and miss her so much. I wish she could have stayed forever. She did her best. We did our best. No time is a good time for goodbye. We have our memories and photos of her thankfully. I cherish them all.

“ We got Peanut when she was 8 weeks old. Right from the start she let us know who was boss. Through the past 15 years she has filled our hearts and home with love, joy, calm, intelligence, and beauty.

*She was a sparkling diamond. No other could ever compare to her.
Oh how I miss her!*

You will forever be in my heart Peanut. I love you. Mom
