“ We will always have a special place in our hearts for you, Penny. From the first moment we saw you fall off the curb into the street and our youngest daughter, Jaci, jumped out of the car to save you, we new you had a greater purpose in this world. We are so grateful to the Brady family for adopting you so many years ago. You blessed them being an amazing part of their family. We will always love you and hold you in our hearts 💕💕
