“ Thank you phoebe for bringing me a new furry friend. I prayed for one and not just any one...one that needed help. I see salinas and Mark's eyes light up with freya.

“ *Phoebe was such a great puppy, she was more than just a dog and she was family she was there with us for everything she loved her walks and her car rides, she loved her treats and taking naps, sitting on the window seal in the light looking outside, she was such a cute puppy and we will miss her more than anything :/ she meant everything to us. She was with us for 11 years and 1 day and we will never forget the time we have spent with her. She was my best friend and was always there beside me always there for me, I'm going to miss her more than anything in the world I loved phoebe so much*

“ *We will miss you pupper. Our Christmas morning, camping trips and visits to Linn run wont be the same. You taught us unconditional love. You was a part of many major family events. You are and always will be loved and missed. Love, mama*
