“ I remember when I came over that time when Pooh had like his 3rd litter. I don't remember the Moms name but it was Pjs litter. I remember because I needed up getting Kobe, PJs brother. There was a bunch of puppies in the swimming pool and i remember getting close to look at them and Tiny little Pooh kept running around growling and snapping his teeth because your Mom was showing me all the pups. I remember he was protective of his pups and he stayed that way with you and Laya! 🐶❤
