*Oh, my Baby Girl. My heart is so heavy without you by my side. But I know that you are healthy and happy beside Jesus. Knowing this will help me and your Daddy survive without you. Our home and our lives will never be the same. You made our lives and our home better with your muffing and puffing. You were truly the quintessential and exemplar BG. Your antics and nuances will always make us smile. I am so glad I showed you as much love as I did (somewhat demanded by you) because I can still imagine what you feel like when I held you and petted you. I am so grateful that God gave you to me for 11 years of BG living. You will always be in our hearts, our Muffy Girl. I love you so much. ~Mommy*

*Reagan, you will forever live in our hearts. The years of laughter and joy you gave to us outweigh the tremendous sadness we now feel. Our hearts will heal as you are now. We take comfort knowing you are well and happy and mischievously yourself again. You were truly a special creation of God.*
