Montana was such a beautiful furbaby. He will always be in your heart. He had a great life with a wonderful Mom.

He was the most amazing creature that I have ever known & loved for 13 years. He had full run and control of the house at all times with never getting into trouble. I have so many memories of him and I being together 24/7. I wish that I could have had a few more years of happiness with him but know that we will be reunited very soon to continue our forever journey! Love you, Sweet Face.

Debra,

So sorry for your loss of your sweet Montana. I will always remember the days he came to visit us at WCBA. He was such a sweet, handsome puppy. My heart aches for you just remember just how much Montana loved you and I know he was your everything. You gave him the best life he could have ever wanted. He will be waiting for you over the rainbow bridge. Prayers and hugs to you.
