

## Rocky Young

April 6, 2020 - January 24, 2026

Rocky, age 5, was a force of joy, chaos, and love wrapped into four paws. He lived loudly, loved fiercely, and made sure that no room he entered ever forgot he was there. Goofy, stubborn and unapologetically the center of attention, Rock had a personality as big as his heart.

He loved his humans with complete devotion and believed food was a universal love language. Car rides were adventures, swimming was freedom, and snow was pure magic beneath his paws. He chased the cats with enthusiasm, guarded his toys like treasures, and found happiness simply being outside, soaking in the world around him.

Rocky was not just a dog - he was a companion, a comedian, a comfort, and a constant presence. He filled his home with laughter, movement, and unconditional love, leaving muddy pawprints not just on floors, but on hearts.

He is survived by his mom and dad, Courtney and Robert, and his tiny humans, Axel and Trent, whom he adored endlessly. Though his time with us was far too short, the love he gave will last a lifetime.

Run free, sweet boy. Chase forever, swim without limits, and know that you were deeply loved...always. You will always be our bestest boy.

“ I will never forget you, Rocky. You were my soul dog, and it hurts so much that you are not here anymore. The house is too quiet, and we all hurt by your absence. I hope you are at peace and chasing bunnies and free. No more pain, buddy. I will love and miss you forever. ❤️
