“ 2 months ago you took your journey to the rainbow bridge to be with all the deceased loved ones who passed before us. GOD called you home and we weren't ready to let go or to say goodbye then and even now 2 months later, it is still hard for us to live without you. You were like a child. Your life was ripped from us and mommy Heidi has many seizures now and isn't doing well without you. Daddy Jim misses you and both of us feel like our own lives got turned upside down because of your untimely demise. Mommy Heidi feels empty and cries a lot. Daddy Jim is distant and feels upset also coz of his little baby buddy is gone.

Ur human friends Patty and Rick are so upset coz of your untimely demise also.

Just know, Rosie Ann. You were so extremely loved by Mommy and Daddy. RIP our baby girl. Until we meet again. We love you and miss you.
