“ Me and Unk and Molly are going to miss you so much sweet girl . When we would baby sit you as a puppy you and Molly was so bad . You would go in the back yard and dig holes and Molly would lay in them . You would be muddy from head to toe . When you would come to the house you would poop in are bedroom. 🤢 I miss you barking when I pull up to the house . Always in that window seeing what's going on outside . Your momma and Daddy miss you so very much and everyone that knew you . We love you sweetie girl Unk Auntie and Molly . Molly says follow the rainbow bridge cousin until meet again 🌈🌈💔🙏🌸💜💜

“ She will definitely be missed by many. She was such a good pup and loved to talk to you. Hahahaha I will miss watching her and our morning walks she would jump up as soon as she seen me putting on my robe and we would just walk up to the end of the street and back but she was always so happy afterwards. Guessing I was too. Gonna miss you girl. Give my Layla hugs and kisses for me and keep an eye on her till we get there.
