“ *My sweet precious Sadie May crossed the rainbow Bridge snuggled up with me on August 30 2024. She was a birthday gift from my daughter Chelsey November 2007. Sadie was the sweetest little lady and loved me so very much as I loved her. We had 17 years together and I was blessed to be her Mama for that long. It's not goodbye but see you in heaven my faithful loyal baby girl!*💜👍💜
