

Sayber Macey

August 28, 2011 - October 18, 2024

Sayber Macey 13 years of age was born August 28th 2011 and crossed the rainbow bridge October 18th of 2024 comfortably at home beside her family and dog companion Blayze Macey.

Sayber enjoyed her treats, walking and a bunch of cuddles.

Written from Sayber's owner "You came into my life from an old dear friend that could not care for you at the time...from the age of 15 you've been my companion, my best friend, and my protector. It will never be the same without you. You have been my saving angel thorough everything I have been through. Even when I had nobody and nothing, you were always there to cheer me up and keep me happy. Now you're not here and I have to live with that the rest of my life and I still do not know how to, but I know it's not the same without you here. When I walk in the door there's no howl anymore, when I sleep at night you are not there cuddling me, and when I reach to pet you your not there and I don't know how to cope with all these memories, but I will figure it out someday. I love you so much Sayber and I hope you are so happy in doggy heaven. I know you are here with me because you visit in my dreams. I love you till we meet again"

November 9th 2024 there will be a candle lighting and celebration of life for Sayber at 4:30 pm. This is a private event through invitation only.
