

Sir Ash McCallister

August 8, 2025

Sir Ash was a sweet loving boy. He was 16 years old.

He was very much loved by his kitty siblings Princess Luna, Kenny and Pip. But also very loved by his family and anyone who met him. He loved to cuddle with his mama. He definitely had his spicy side which explains why he loved spicy nacho Doritos. He also loved being outside.

He will be forever missed. Until we meet again my sweet boy. Mama loves you so much. Thank you for the amazing memories and giving me many years to love you. You left this world but left your paw print on my heart.
