We met when she was just a pup. She always liked me. Even though she didn't see me but once a year, she never forget our friendship. I miss her and will remember her forever.

*When I told you you were the best pupa dog in the world that truly was no lie.i'll always remember how excited you were when I came to visit and every time I told you I loved you always gave me a doggie kiss in return. You'll always hold a place in my heart and will be truely missed
Love forever

Skittles, the moment I met you - you won my heart! what a great loss for all of us! You & Cousin Izzy of course are sharing the dog treats, bones growing & hanging on the trees above! I am sure you and Izzy are sparking from head to toes to tail! See you soon along with my baby Izzy.

*sweet kisses,
Aunt Pat*
