

Snugglebunny "Tubby" Dicerbo

September 27, 2017

Every person who walked into our home was greeted by our beautiful kitty, Snugglebunny or "Tubby". He passed away peacefully on September 27, 2017. Over the last 17 years, he has brought so much joy and love into our lives. Anyone who walked in our home, even if they didn't like cats, walked out saying "can I take that cat home with me?". Every friend and family member has a memory with him. He never once scratched, hissed or bit any other animal or person... not even a mouse. He was the only cat to ever enjoy bath time, make it through my senior picture session and be featured in our family Christmas card. Every child who walked into our home played with him like he was a toy... and he let them. We are going to miss you so much, our hearts are so broken but we know you're making everyone in heaven smile the same way that you did down here. We will all miss your hugs more than anything. You were such a one of a kind cat and everyone knows it. Thank you for all of your love over the last 17 years.

We will miss our mellow kitty who allowed others to love him in their own way. He didn't have a mean bone in his body and by the way he let my kids wear him as a scarf around their necks, you would think he didn't have any bones in his body! He had such a loving disposition. After all those years at the DiCerbo home, it was time for him to move to Kitty Heaven so that he could be at the Pearly Gates awaiting our eventual arrival! We love you, Snugglebunny!
