ME

“ *Spike was more than just a dog, he was a family member. He was my sweet, gentle big baby. Every time I came home from work, he'd greet me with his joyful happy dance, Waddling side to side and tail wagging. His eyes were so full of love and his face melted everyone's hearts. He could turn any hard day around with his love. He had this way of showing affection by resting his head quietly on my leg and staring into my soul. I'll miss that. He loved being petted, he was a sweet big lap dog 💕. I miss my big baby more than words can say, but I will carry him in my heart forever.*
