“ *Sushi was the sweetest, most loving, mildest mannered, best dog I have ever known. She was so much more than a pet. She was a companion, a sister and family member, and my best friend in the world. I have many beautiful memories of her. She enriched my life by just being herself. You will be missed immensely. I love you, Sue. Hopefully we will be reunited in the future.*

I couldn't agree with you more Jeff. Sushi was and is so special. She will be missed greatly until we see her again. A bond like that can never be broken. Hugs, love and prayers, Heidi

PS

Sushi was a highlight of my annual visit with my brother and family. She frequently hopped into bed with me; I confess to encouraging her with lots of treats.

As is true for my cat, Sushi was a companion. I don't see them as pets; I see them as partners.

Our family attitude regarding companions animals flows from our mother, who taught us to respect all life.
