Teddy was sweet boy with an independent streak. I only put pictures up of him during his younger happier days. That is how he is now. He is no longer itchy to extremes, he can see and eat anything he wants now. He can hear the birds sing, and grandma, pappy, nana calling him. He can play with his sister Hunnie, & uncle Leo. And he gets to meet his namesake Bear to whom he looked a lot like.

We love you Mr. Big, be nice to your sister and listen to Grandma and Nana. Don't chew on their furniture (now that you have beautiful teeth again). We will see you again.

Love, Mom & Dad, Bree & Cam & Foxcat
