“ Teddy, mommy and & Shelby miss you so much! You were the best boy ever! Thank you for the most wonderful 8 years. Your funny personality will never be forgotten. Thank you for being by my side when I had my brain surgery. Couldn't have made it without you and your unconditional love. You always could turn a bad day into a good one. I hope you are at the rainbow bridge running free and pain free with your sister Lola. I hope you can see again and are having fun my sweet boy. I will see you at the rainbow bridge someday. Until then my sweet Tedbear run free. You will never be forgotten! I love you and miss you with all my heart sweet Teddy! I love you! Love Mommy

“ 1 file added to the tribute wall

You brought warm love and laughter
 into our happy home
 With you sitting by my side,
 I never felt alone
 Now you have left me,
 it's almost more than I can bear
 The house seems so empty
 without you standing there
 You no longer wait to greet me
 as I walk through the door
 You're not there to make me smile,
 to make me laugh anymore
 Just for now I need time to mourn,
 my broken heart to mend.
