*Cousin Thor, Thank you for being so nice to Zee through his puppy years even though he would annoy the crap out of you. You were the reason i got Zee and there could not have been a better role model for him to look up to over the years. Rest easy big guy, you will be missed.*

*Thor was such a good cousin to Lewie and Briggs. I remember the first holiday we brought Lewie to Pgh. He followed Thor around and barked at him so obnoxiously. Thor handled it like a champ. Then a very rambunctious Briggs came around and Thor was totally unfazed by all the puppy energy. Ryder loved Thor visits on his Wednesday's at Kathys. Thanks for always being so sweet to Ryder and our pups, Thor. They will miss you, as will we. ??*

*My heart breaks with the passing of the amazing treasure, Thor. He brought positivity and a zest for life to everyone he met. He was a lovable companion and I fell in love with him from the very*

*beginning. My favorite memories of him are making his favorite signature salmon birthday dish, watching him mark his territory on his Christmas present, his wet kisses and humanlike hugs, his couch licking and overprotectiveness, our early morning snuggle and coffee sessions, and his attempts at sitting on my lap and pushing me off the couch. My absolute favorite of all was the love and adoration he displayed for his best friend, Brian. Thor, King Thor, KT, Bubs, you are truly missed but we have our memories and thoughts of you being wild in heaven to comfort us. Love you bubs!*

*Words can hardly explain the bond, love and companionship that Thor and I shared for the past 12 years. I am so grateful for the time that we spent together. I have so many wonderful memories that I*

*will cherish forever, Thor, you were such a good dog. You brought joy to me like I've never felt before. You touched so many people and other dogs with your kind spirit and warm personality that I could not be prouder of the dog that you became as you progressed through your life. Everybody that knew you loved you and you loved everybody. There are many people and other dogs that are going to miss you but nobody more than me, you were my pride and joy and all I ever wanted to do was come home to you or take you with me wherever I went. I want to thank you for what you did for our family, you brought us closer together and we are all better because of the time we spent with you. We will all honor you and cherish you for the rest of our days until we all reunite once again. I will never forget you, Thor, you will be in my heart forever. I will always love you. You will always be my Big Dog!*

*Love,*

*Your Dad Brian*

*Sorry for your loss daws. He was a good boy. I'll remember all those trips to the romper room, jbc's and world record hose jobs. Things won't be the same without thor piece nugget around. Samson would get so excited seeing thor pull up the driveway. I'm sad those times are over, but glad we had so many to remember. Thor lived a loved life. RIP Thor*
