*Tigger was the type of cat to know when you were sad and lay right on your head to cheer you up. She has never been sick and even in her old age she would chase the laser pointer up the wall.*

*She also liked to carry our shoes around in her mouth and just scream at them. Sometimes if you were a guest at the house, your shoe would have been the lucky winner. Don't even think about getting up off the couch because when you'd come back, she'd been in your seat. You couldn't open the door for even a second either because you'd take one step out and she was already rolling around in the grass before you could even blink.*

*She would sit at your feet while you were eating cereal just to get one sip of the milk at the bottom. Lay outside the bathroom door while you showered in the morning, then trip you down the stairs on the way to the kitchen to get her food.*

*As the great Tigger Movie song states, "They're loaded with vim and vigor, they love to leap in your laps! They're jumpy, bumpy, clumpy, thumpy, fun, fun, fun, fun, fun! But the most wonderful thing about Tiggers, is i'm the only one."*

*You will be missed Tigger, (AKA - Tiggy Wiggy, Tigs, Tigaas, Tig Tig, Baby Kitty, Mama Kitty)*

*So many names we called you over the wonderful 19 years we had with you!*
