Toby, you just left me and my heart is broken. I miss you so much. I will never forget the unconditional love you showed me. I wish you could have stayed with me longer but I know now you are not in pain and are at peace. My heart will never forget you.

The only thing helping me get through this grief is picturing you and Mitzie running around, chasing each other like you used to do.

Today is dad's birthday make sure you and Mitzie go give him big kisses and take a walk with him through heaven. Love you little boy.
