“ There are no words strong enough to express how sad our home is without Toots in it. She was not just a cat but a angel unaware sent to her best friend Patrick, a gift from God. Truly an amazing story of life and love. I know she is with Jesus running around in heaven's fields of grass and flowers with her twin brother Tank. Both will run to me their earthly family when we get there. What a reunion that will be. ❤️

“ This little girl was my best friend. Born under developed in April 2005, I held her head up to enable her to latch on for milk. She grew stronger but was ultimately smaller than her brother Tank as she was one of only two kittens born. Loved her happy life, family and home. My heart is broken over losing her. As she became noticbly weaker, I had the blessing time to spend with her, loving her and telling her how special she is to me and thanked her daily for being my friend. Some may believe to mourn a pet is silly, but when that girl sits with you and provides comfort in some pretty dark times, all I can say is thank you for being the little light in my life and bringing our family so much profound joy and laughter. I pray with all my heart we in fact do get to spend eternity together in heaven. YOUR DADDY LOVES YOU BABY GIRL TOOT TOOTS. KISSES
