Tootsie would always look at me, like that. My mom would say , Eddie, Tootsie ♡ loves you so much, you saved her life when you took her in off of the street many years ago. I would tell my mom, no mom Tootsie saved my life. I was going through a tough time trying to right myself. Without Tootsie Popp, I might have not been able to do it. I think of her every single day, I miss her immensely.
