“ Tucker Rae was rescued September 5th, 2009 from Action For Animals Humane Society.

*They always say who rescued who, but it was clear he rescued me. Tucker, a beloved daschuhund mix, was just a constant source of comfort, companionship and joy. Everyone that knew me knew how much Tucker meant to me. He was a true best friend, and helped me through the darkest times. His fur brother Diesel and Duke will miss him dearly. I will continue to count my blessings and cherish the memories we created with Tucker and Larkin. My sweet Tucker Rae; thank you and I love you.*

“ *Tucker, you will be missed so very much. You had so much love to everyone in the family. You were such a handsome dog, with beautiful soft copper fur. Please say hello to Shay for me. ❤️🐾*
