

Wicket Tokar Palcsey

June 9, 2011 - May 2, 2025

Wicket Tokar Palcsey, of Dravosburg, passed away on Friday, May 2, 2025 after a brief illness. She was a 13 year old Bichon-Yorkie mix known primarily for being quite the diva. She let those who loved her know when she wanted to play, needed to eat and especially when she wanted to go outside with copious amounts of sass.

She was born June 9, 2011 in Warren, Ohio and was rescued by her parents on Labor Day weekend 2011. She loved the yard at her home in Dravosburg, but wasn't quite sure about the pool as her swims were infrequent and typically unplanned. She found great quarrel with her arch nemesis, the vacuum cleaner. Her weekly battles always ended with a well-deserved nap for the victor.

She loved riding in the car, especially to Grammy and Pappy's house. She absolutely loved it there, especially since she wasn't in competition for attention with her three brothers. "285" was her second home, so her trips often turned into mini-vacations. Her stays became so regular, they became known as custody weekends for Grammy and Pappy.

Although she was, in fact, a "pretty puppy," she hated getting her hair cut. She did quite enjoy the puppy cuddles that followed, especially on pappy's recliner or in her "nook". She had a plethora of nicknames including : "puppy girl,"

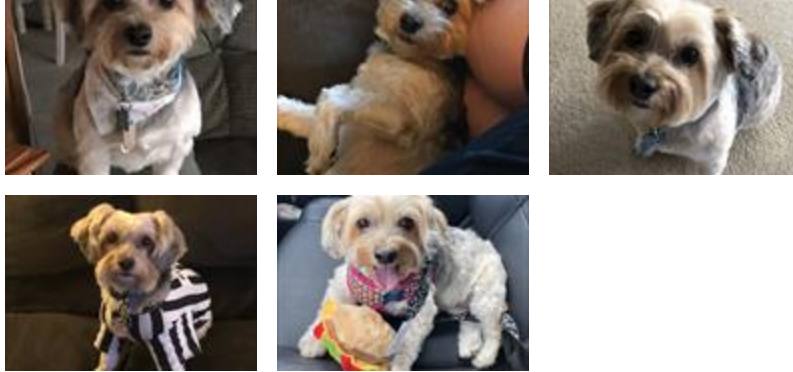

"Jelly Face," or simply just "dog."

She was preceded in death by her uncle Jim who absolutely adored her. She is survived by her loving family including her parents, Mike and Stacy, her brothers, JP, Joey and Nicholas, her aunt Crystal (TJ), and cousins Jacob and Lucas, and her grandparents Tom and Kathy, and Jean and John. She was the best girl a family could ever ask for. The family would specially like to thank the Avalon Veterinary Hospital for the superior care throughout her whole life through the end, the kind and compassionate folks at Beloved Pet Services at Strifflers, and the spiritual presence of Father Adam Potter, parochial vicar of Mary, Mother of God Parish.
