“ Bubba will be missed. It took him a little bit at the start to warm up to me, but eventually he would always come see me and play fetch with me when he came over or I went there. He will forever be a part of our family and will miss seeing him by his dad's side. Love you Bubba you will never be forgotten

“ Our Bubba will be missed. He was part of the family. You never seen his dad without him running beside him. He use to growl at me but we eventually became good friends and family. Love you Bubba we will miss you
