

## Yogi Bear Henry

January 29, 2018

Yogi bear.... you have been amazing, so loving and gentle. Our protective boy. Tyler's best friend and love. Gentle giant always giving hugs and affection. Your beautiful eyes told so much about you. Your love for us showed in more ways than I can count. When I found you at the rescue it was love at first sight. You helped us through so much, illness, a house fire, loss of loved ones, and rejoicing in the good. Perfection in every way! A true Cookie Monster, you loved your cookies as much as you adored Tyler. Kacey, Shade, and Bodi miss their big brother. The impact of losing you is almost too much to endure. Mom, Chuck, Zach, Dyanne, Tyler, And Summer miss your big beautiful cuddles in bed. Tyler loves you so much sweet baby. No more pain or troubles for you. We are still in shock that you are gone, just a few days ago you ran and played. Rest easy my boy I hope Daddy, Midnight, Snuggles, and Ruby Anne were there to meet you. We love u always and will always be grateful for your love.. hugs and kisses my sweet baby mommy loves you.
