“ Zoey Michele, you were my best friend, running partner, confidante. You were one very special friend in our lives. I'm so glad I got to share 13 yrs and 8 mos with you. You will forever be missed by all of us, we are already sharing funny “Judith” stories. When you left us you took a piece of my heart with you. I will always remember the fun adventures we have had and as long as I live, I will never ever forget you. Now you are at peace and running pain free with your brother Magic and your Mom Ginger. I am confident that I will see you again some day my beautiful “JuJu-Bee” ❤️  
I'll Love You Always and Forever,  
Your Human Mom xox ❤️🐾❤️
